

Kneeling Virgin from a Nativity Group
Central Italian, early XVI century
The Cloisters, The Metropolitan Museum of Art

M264

Dear Miss Parlow:

We were certainly
glad that you mentioned
a trip to the cloisters. We
managed to spend a
couple of hours there today
and found it really worth
while. The bus trip was
interesting enough in itself
there's not enough space
to tell you all the other
things we've done - it will
have to wait. Love to you and Mrs Parlow Elizabeth & Lise
